Submitted to His Highness.

As Mr. S.Cadambi's term as Special Officer, Krishnaraja Sagara Works, expires on the 31st December 1923, the question of the arrangements to be made for the execution and supervision of work at Krishnaraja Sagara was considered in Council on the 17th instant when the following resolution was recorded:

"Mr. K.R.Seshachar may be appointed Special Officer and ex-officio Secretary, Krishnaraja Sagara Works, for a period of two years on a salary of Rs.1,250 per mensem (consolidated)."

2. Mr. Seshachar who is now acting as Chief Engineer for Roads and Buildings will be relieved by Mr. H.D.Rice on the 11th November 1923. It is understood that he will go on about six weeks' leave at the time so that he will be returning to duty by the time Mr.Cadambi is to be relieved. It is undesirable to disturb the arrangements in the Engineering College in the middle of the academic year and it is therefore not expedient to send Mr. Seshachar back there; besides, there is a great deal of important work relating to the Krishnaraja Sagara and allied questions to be attended to, which cannot conveniently be dealt with by the Chief Engineer for Irrigation. Now that an agreement is likely to be reached with the Madras Government, a number of other important questions relating to irrigation in the Cauvery valley have to be settled, and Mr.Seshachar is the most competent officer for this.

3. As Principal of the Engineering College, Mr.Seshachar is drawing a pay of Rs.1,000 with a duty allowance of Rs.100. As Special Officer and Secretary, it is considered that his emoluments may be fixed at Rs.1,250.

The Resolution of the Council may be graciously approved.
